Dear Sir:

Applicants filed the above-identified divisional application from the parent application Serial No. 09/497,777, filed on February 3, 2000, which is a divisional application of U.S. Serial No. 08/829,357, filed on April 2, 1997, now issued as U.S. Patent No. 6,118,442, which is a divisional application of U.S. Serial No. 08/326,758, filed on October 20, 1994, now issued as U.S. Patent No. 5,648,813.--.

It has been determined that the originally named inventors, Masaki Mukai and Takashi Ohtsu, did not make contributions to the invention set forth in the claims of this divisional application. It is requested that they be deleted in the inventorship of this divisional application.
